Was not disclosed to the new ruling established 2/2016 regarding owners not residing in the unit and the two year waiting period before renting the unit. He is asking for the BOD to consider his situation has he had purchased the unit for an investment. After review of documents and discussion, including the homeowners in attendance ( a record attendance at a BOD meeting ) the decision was made to uphold the resolution and ruling on leasing of units . The BOD and membership felt that much time and effort went into establishing the resolution with the intent to prevent the community from becoming a rental community.
